## In-Class Lab 1

1. I have an Android because: \_\_\_\_\_

2. Find the following on your device (check them off: )

- The Power button
- The Volume control
- The Charging port
- Home button
- Back button
- Menu button (if any)
- Recent apps button (if any)

3. Practice the power button:

- Turn power off, back on
- Go into Standby mode and resume
- Turn on Airplane mode, turn it off

## 2. Practice using the volume control:

- Turn the volume up
- Turn the volume down
- Look for the volume indicator

## 3. Practice touch:

- Click on an app to run it
- Click on Home to go back to "Home Page"
- Long click and drag an icon
- Run "Gallery" (if you can't find it ask for help), open a picture and pinch/spread to zoom out/in
- When done, click on "Back" repeatedly to return to Home Page

I had trouble with (or have a question about):
