In-Class Lab 2 ~

1. Pair up with a “class buddy”
2. Exchange phone numbers. If you don’t know your own number, ask for help.
3. Call each other, answer the phone and talk. Go into the hallway if needed.
4. Look in the “Recent Calls” list to see the calls.
5. Click on the call, see that you can re-dial etc.
6. Call each other, reject the call. Notice what happens.
7. Call each other, don’t answer or reject. After it’s over, look for the “Missed Call” icon on the called phone:

8. Explore the many controls on the phone:

Numeric Keypad

Recent calls

Favorites (may be empty)

Contacts

Speakerphone 

"Call" button -> 

Anything else you see ~ TRY IT!

I had trouble with (or have questions about):
