## In-Class Lab 3 –

1. Practice turning your ringer on/off
2. If not already done, set up your voicemail, record an outgoing message
3. Pair up with a “class buddy”
4. Leave voicemail for each other
5. Look for the voicemail notification: 
6. Retrieve your voicemail
7. Reply to the voicemail
8. Delete your voicemail
9. Repeat steps 3 and 4, save the voicemail, hang up.
10. Redial voicemail, retrieve the saved message
